

Credible Witness - by Andy Gilbert

Would you tell someone if you had seen a ghost? A dilemma that has faced many people becomes magnified when your professional reputation is at stake.

Credible Witness is a collection of compelling accounts from members of the police family who have witnessed or have intimate knowledge of unexplained incidents. When the world of policing and the paranormal collide, even the most hardened sceptic might have to think again.

However, much we think we know about the world around us, perhaps we don't know everything.

Former officer and author Andy Gilbert is in the process of researching a second volume and is interested to hear more witness accounts. Discretion is assured as he does

not reveal the name of the source when published. Although fascinating, it can be a sensitive subject.

If you have a story to tell, contact Andy by email daltrey42@outlook.com.

All proceeds from the books are donated to COGS, a charity in Burntwood, Staffordshire, supporting adults with learning difficulties.
